

**John 20:1-8**

3 different Greek words used for "seeing"

V. 5, saw - "to glance" - John did not enter the tomb. He stood at the entrance and glanced in, seeing the grave clothes.

V. 6, noticed - "to look carefully" - Peter entered the tomb and looked carefully, noticing the head covering folded next to the grave clothes.

V. 8, saw - "to understand / discern clearly" - John enters the tomb and discerned clearly that Jesus rose from the dead. The result was BELIEF!

The more closely you see God, the more clearly you will understand Him. Faith is not increased with just glances.
